

Design Report - 03

Instructions

- This is an individual activity.
 - Submit your DR 3 to the given link.
 - Deadline: Saturday, 20 August 2022.
-

Design and develop below **UI** using **react native** and add the screenshot of your **UI and the code** to a document and submit the document to LMS.

1. You must develop the **UI only** using react native components.
2. **Page navigations** should be implemented.
3. You can **use any images** and you can **use any color themes**.
